Phil Maynard

**February 10, 2018**

**9:30 am to 4:00**

Check in begins at 9:00 a.m.

The mission of the United Methodist Church is to make disciples of Jesus Christ for the transformation of the world. We all want to get better and better at that work. On Saturday, February 10, 2018, you can bring a team from your church to learn from Dr. Phil Maynard as he leads us in going from Membership to Discipleship. He will help you think about building a discipleship system for your congregation or provide insights that you can use to fine-tune your current system.

Phil's work answers two fundamental questions: "*What behaviors mark the lives of growing disciples?*" and "*How does the church provide the support and tools disciples need if they are growing toward maturity?*" You'll have an opportunity to work with your team during the day to consider this and much more. Phil is a United Methodist elder and pastor, former Director of Congregational Excellence in the Florida Annual Conference, and currently leads EMC3.

This workshop will be held at Forrest Burdette UMC in Hurricane, WV where Phil will be presenting in person. ***However, there will be satellite live streaming in our district at St. Luke's, Craigsville and Lewisburg United Methodist Church.***

The event is \$10 per person which includes a workbook and lunch.

Registration is required to ensure materials and lunch are available for everyone.

Pick up a copy of Phil's Maynard's book, Membership to Discipleship for an additional \$10.00 each at the event.
