

Greenbrier District of the United Methodist Church

Partnering with You to Reach New People

While COVID 19 has presented many challenges, God has shown us that the church is not just a building, and we have many opportunities to reach new people in new ways. The WV Conference and the Greenbrier District desire to partner with your church to help underwrite the cost of these new ministry opportunities. We are willing to fund a maximum of \$250.00 to help with equipment purchases for online ministry, website fees, ZOOM subscriptions for Bible studies, and numerous other creative ideas you may have to reach the unchurched people in your community.

The Partnership funds will be limited to a maximum of \$250.00 per application. With the money available, this will allow us to partner with up to 20 churches in the district. Funds will be distributed on a first-come basis and approved at the discretion of the GO Ministry Team and the district superintendent.
